

Everywhere
Fleetwood Mac

Can you hear me calling out your name?
You know that I'm falling and I don't know what to say
I'll speak a little louder, I'll even shout
You know that I'm proud and I can't get the words out

Oh, I
I wanna be with you everywhere
Oh, I
I wanna be with you everywhere

Something's happening, happening to me
My friends say I'm acting peculiarly
So come along baby, we'd better make a start
We'd better make it soon before you break my heart

Oh, I
I wanna be with you everywhere
Oh, I
I wanna be with you everywhere
(middle eight)

Can you hear me calling out your name?
You know that I'll falling and I don't know what to say
So come along baby, we'd better make a start
We'd better make it soon before you break my heart

Oh, I
I wanna be with you everywhere
Oh, I
I wanna be with you everywhere
(repeat)
